3-rd International Workshop on Baryon and Lepton number Violation, BLV-2011

Hotel Edgewater, Gatlinburg, Tennessee, September 22-24, 2011

Information Bulletin #2

Dear participants, welcome to BLV-2011 Workshop at Gatlinburg, Tennessee.

- The BLV-2100 Workshop website <http://www.phys.utk.edu/blv2011/> includes all information about program, registration, transportation, etc. In case of any questions please contact organizers (see below). Registration will start at 5 pm in the Conference Hall of Edgewater hotel and will be followed by the welcome reception 6 pm - 8 pm.
- The chronological scientific program of Workshop can be found at our website http://www.phys.utk.edu/blv2011/Time_Program_V1.pdf. The speakers may check their presentation time. Please, contact organizers if you have any corrections. Please, let us know the title of your talk if it is missing. Web version of the Program will be updated.
- All sessions are starting at 8:00 am all three days. All oral presentations are plenary talks. Total number of talks is over 60. Therefore, the format for all talks at the workshop is 20 minutes including ~ 2 minutes for questions. We believe that 30-min coffee breaks together with lunch and dinner times will provide to participants sufficient time for particular questions and further detailed discussions.
- Poster session will be in the hall in front of the meeting room. Posters should be mounted on the perimeter walls on the first day. Official time for poster presentation is September 22 from 15:50 to 16:20. However, all posters can be viewed and discussed during all coffee breaks. The poster size is 3 feet × 4 feet or 93 cm × 124 cm (portrait orientation).
- Chairs of the sessions, please confirm your availability. Session chairs should assume responsibility for keeping talk time strictly within the session limits.
- Wireless will be available during sessions, in the halls, and in guestrooms. AC power for computers will be available during sessions.
- Presentations will be via computer projector only. We will provide a presentation PC (running under Windows 7 with MS Office 2010). Switchable connection to users Mac or Linux computers will also be provided as an option for speakers. Speakers might like to bring their talks on USB memory stick, or have them available for download via Internet. Presentation talks will be organized as DocDB local webpage. Speakers are encouraged to send their talks to the organizers as soon as they are ready before the presentation. This will help to save transition time between talks.
- All talks will be available to participants at workshop website in parallel with the session during or shortly after the talk via wireless connection.

- Complimentary continental breakfast, provided by the Edgewater hotel, begins serving in the hotel's restaurant (also called The Brass Lantern) at 7am. The Organizing committee will be providing tea, coffee, and pastries during two 30-min breaks on every day of the Workshop. Also, you are invited to the reception at 18:00 on Wednesday Sept 21 and the banquet 19:00 Friday Sept 23 (additional ticket for banquet is \$35 - ask Workshop secretary).
- We have reserved 90 minutes for lunch every day. You can have lunch at the Edgewater hotel's restaurant, The Brass Lantern (across the hall), or go to one of nearby restaurants in Gatlinburg: http://www.phys.utk.edu/blv2011/Restaurants_map.pdf. For all lunches and for dinners (on Thursday 22 and on Saturday 24) you can explore the local restaurants. The following link is a list of local restaurants with reviews provided by people who have dined at the restaurant: http://www.tripadvisor.com/Restaurants-g60842-Gatlinburg_Tennessee.html
- Arrival/departure transportation between airport and Edgewater hotel in Gatlinburg can be arranged by going to <http://lespacemotorcoach.com/blv2011-travel-reservation/>; if you need help with or have questions about transportation, please contact Chrisanne Romeo [cromeo@utk.edu]
