INSTRUCTIONS FOR THE CAPA ON-LINE HOMEWORK SYSTEM

CAPA is accessed via the Web

To access CAPA you will need:

1) Your NINE DIGIT Student ID.

If your student ID is a 9 digit Social Security number use this
If your student ID is a 6 digit number enter 000 + Student I.D.

2) A CAPA ID which you must request to be sent to your email address.

YOU MUST HAVE A CAPA ID FOR EACH PROBLEM SET!
Your CAPA ID for each problem set is unique

IMPORTANT NOTE: The first time you request a CAPA ID, you will be prompted to
input your email address. The system will remember this email address and you will not
need to enter it on subsequent problem sets.

The main CAPA login page has a side-bar with instructions for how to answer questions,
how to enter units, and how to enter significant digits.

Please read these instructions before asking for help!

Getting your CAPA ID:

1) go to http://homework.phys.utk.edu/ and enter the homework system.
