Physics 231: Fundamentals of Physics (Electricity and Magnetism)
R 2:30-4:30pm
Nielsen 510

Stan Paulauskas
Email: spaulaus@utk.edu
Phone: 615-414-8150
Office: Nielsen 603
Office Hours: TR 8-9am

Course Materials:
Selected Introductory Physics Experiments by Dr. James Parks
ISBN: 0-759-31021-1

Lab Schedule:
http://www.phys.utk.edu/labs/ph231syl.pdf

Expectations:
Each student is expected to prepare a lab report to be turned in at the beginning of the following class period. Do not come to class late. If you arrive more than 15 minutes late, that week’s lab graded will not be graded. I expect each student to be respectful to each other and to the instructor. Lab reports are due at the beginning of lab before class starts. If the previous week’s lab is not turned in, points will be deducted for being late.

Makeup Policy:
It is suggested that you do not miss labs. There is one class period at the end of the semester to allow for a missed lab. If you do miss a lab due to illness or some other unforeseen circumstances, then you should contact me as soon as you know that you will miss the lab and we can make suitable arrangements. More than one missed lab will result in an automatic failure.

Academic Honesty:
All students are expected to abide by the University Honor Statement. Each student is expected to prepare his or her own lab report and to refrain from forging data.
