Required Materials:
Each class please bring your textbook, paper, pencil, and a calculator.

Attendance:
Attendance is required. No more than two absences will be allowed unless approved by the instructor. Any missed labs will have to be made-up either at the end of the semester or if you wish to do it sooner just email me and we can coordinate another date and time.

In-class Quizzes:
At the beginning of each class a short quiz will be given pertaining to that day’s lab. Each student is required to have at least looked over the lab before coming to class. The quizzes will be around five questions and quite easy if you have read the material beforehand.

Lab Reports:
Lab reports are to be turned in at the beginning of the proceeding class period. Failure to turn it in on time will result in a deduction of 10 points for everyday it is late.

Project:
One project will be assigned during the course of the semester that will be done in groups of four or so. The project will cover a topic of your choice on a specific subject matter pertaining to what has been covered in lab. Further details will be given at the time the assignment is given.

Grading:
In-class participation and Lab Reports - 60%
In-class quizzes - 10%
Attendance - 10%
Project - 20%
